Here you go – I found a couple of sentences in para. 2.b. confusing and re-ordered them; I also added two commas to a sentence in para. 2.a.

I've attached a clean version and a redlined version. I expect we'll see additional changes.

**Subject:** Draft ESA language for FDEP-EPA MOA

Hello, Jeneanne –

We took the previously negotiated draft ESA language for the FDEP-EPA MOA and added new elements.

## Ex. 5 Deliberative Process (DP)

Tracked changes below that are for flow, and to add language to highlight existing paths.

If you would like a clean copy to forward to Trey, we're happy to provide it, just thought this would highlight new material.
